EDUCATION

Galgotias University, Greater Noida

B.Tech in Computer Science Engineering 2022 - Present

Sri Sukhdev Academy, Ekangar Sarai (Nalanda)

Intermediate (Class XII - BSEB Board) 2021

Matriculate (Class X - BSEB Board) 2019

INTERNSHIPS

Alteryx Data Analytics Process Automation | AICTE Virtual Internship Jul 24 - Sep 24

- Acquired advanced skills in automating data preparation and analysis workflows, as well as in reporting and advanced analytics.
- Improved efficiency in automating data processes, crafting reusable macros, and utilizing data visualization tools for enhanced insights.

PROJECTS

MEDEASE | JS CSS HTML [\[Link\]](#) December- Present

- **Secure Health Data Management:** Developed a platform to securely store, encrypt, and manage medical records, ensuring 24/7 access to patient data from any device.
- **UNIQUE USER ID Integration:** Implemented seamless integration with government-issued healthcare IDs to streamline access and enhance usability.
- **Collaboration with Healthcare Partners:** Partnered with leading hospitals and clinics to ensure real-time upload and retrieval of medical records for better health management.

Student Management System | Java [\[Link\]](#) Jan 2024

- The Employee Management System developed in Java offers efficient record management functionalities, allowing users to add, delete, and update employee data seamlessly.
- It utilizes object-oriented programming principles to maintain a structured database and includes features for data validation and error handling to ensure data integrity.
- This system provides a user-friendly interface for administrators to perform essential record management tasks effectively.

SKILLS

Programming Languages: C++, Java,python,javascript,Node.js

Relevant Coursework: Data Structures & Algorithms, Database Management System, MongoDB, Express, Object Oriented Programming, Operating System.

Tools: Git, Github, Google Colab, MS Excel, MS Powerpoint, Ms Word.

Soft Skills: Communication, Critical thinking, Design thinking, Team work, Adaptability.

EXTRACURRICULAR ACTIVITIES

Club Head, Mobile Development Club – Organized coding workshops, mentored peers in app development, and led a team in tech projects.

Volunteer, Tech Fest Committee – Managed event logistics, coordinated with speakers, and helped organize hackathons.
